HUNTING HOURS

The Montana Fish and Game Commission has adopted and published sunrise-sunset tables for determining hunting hours by zones within the state (see MAC 12-2.10(2)-S1050). These tables are based on Mountain Standard Time. During any period that Daylight Saving Time is in effect, one (1) hour should be added to time indicated in the tables in order to determine proper hunting hours.

Authorized periods shall be from one-half (½) hour before sunrise until one-half (½) hour after sunset each day of the hunting season.

HUNTING DISTRICTS

The state has been divided into legally described hunting districts designated by numbers, wherein the limits, season dates, species and sex of game animals which may be taken are specified. These districts are as shown on the map published by the Department of Fish and Game for "Deer, Elk, Bear, and Mountain Lion Hunting Regulations" and are more particularly described in that document entitled "Legal Descriptions" folded in with said map.

IT IS UNLAWFUL:

to bait bears;

to waste any part of game animal suitable for food excepting bears and mountain lions;

to hunt or take any game animal without having a valid license on your person;

while hunting game to act in a negligent manner or knowingly fail to give all reasonable assistance to any person whom you have injured;

to transfer your license or use any license tag issued to another person;

to shoot game animals on or from any public highway;

to shoot a game animal for someone else's tag;

to shoot or attempt to shoot game animals with the aid of artificial light;

to shoot game animals or birds from an automobile or other self-propelled vehicle;

for persons under twelve (12) years of age to puchase hunting licenses and hunt game;

to use firearms in any manner in the hunting and or killing of any game animal during an archery season;

to hunt game animals or game birds or to carry or discharge firearms or create any other unlawful disturbance in any legislative or Fish and Game Commission created game preserve;

to hire or retain any unlicensed outfitter or guide;

to purchase more than one of the same kind of game license during one license year;

to cast a spotlight from a motor vehicle when in possession of a firearm or other implement capable of killing wildlife or domestic animals (landowner exception);

to use a self-propelled vehicle to concentrate, drive, rally, stir up or harass game, or furbearing animals.

With the exception of archers during special archery seasons, it shall be unlawful for any person to hunt big game animals or to accompany any hunter as an outfitter or guide without wearing exterior garments above the waist totaling not less than four hundred (400) square inches of hunter orange material, visible at all times while hunting.

A person convicted of littering while hunting, fishing, camping or trapping shall forfeit his license or privileges to hunt, fish, camp or trap within Montana for a period of one year.

VEHICLE TRAVEL RESTRICTIONS

Hunters must not drive off established roads or trails except to get big game carcasses that would otherwise be difficult to retrieve, in which case a motor-driven vehicle may be used to retrieve the carcasses, except in areas where more restrictive regulations apply or where the landowner has not granted such permission. Vehicles retrieving game must take the shortest possible routes to and from established roads or trails. On federal lands contact the nearest agency office. Certain roads within the national forests are closed to vehicles. For current status of these roads contact the local U.S. Forest Service office.

ASK PERMISSION

Montana law requires that hunters must have obtained permission of the landowners, lesses or their agents before hunting big game animals on private property.

Penalty: Up to $500.00 fine or up to 6 months in the county jail or both and in addition may forfeit the license and privilege to hunt, fish, or trap within this state.

TO REPORT VIOLATIONS

If you are unable to contact your local warden or sheriff's office, call toll-free 1-800-332-6117.

TRANSPORTING WEAPONS BY AIR

Federal Aviation Regulations require that all sporting weapons, including knives and handguns, transported by commercial airlines must be declared and carried unloaded as baggage.

IMPORTATION OF HORSES AND MULES

The Montana Department of Livestock requires an animal health permit prior to entry. For information call 406-449-2043. A brand inspection is required within Montana.

APPLICATIONS FOR SPECIAL DEER PERMITS AND DEER B-B5 LICENSES

Special Deer Permits

Hunters who hold regular deer licenses (A licenses) may apply for special permits in certain districts. Hunters who hold permits have more choice in the sex of deer and species of deer that they may hunt. In district 477 all deer hunting is by special permit.

Deer B-B5 Licenses

Residents who hold conservation licenses may apply for B deer licenses in certain districts. Nonresidents who hold conservation licenses, $50.00 combination bird and fish licenses, or $225.00 combination licenses may apply for B5 deer licenses in certain districts.

For persons who already hold a general license (deer A), the B or B5 tag provides for taking a second deer.

MAKING APPLICATION

Applications must be postmarked or delivered no later than June 15, 1979.

All special permits will be issued through drawings. All resident B and nonresident B5 licenses shall be issued through drawings excepting in the archery only portion of district 260.

You must apply for a special deer permit and B or B5 license on the same form. You may apply for permits or B-B5 licenses in three districts. District choices for permits or B-B5 licenses may be made in any combination.

Nonresidents may not recieve more than 10 percent of the total licenses or permits issued in each district.

ELK HUNTING REGULATIONS

SEASON TYPES

The season type number must be included with hunting district numbers on applications for special permits or licenses. Season type numbers are for computer use during drawings. They indicate a specific combination of hunting dates and bag limits.

SPECIAL ELK ARCHERY SEASONS

With the exceptions hereinafter provided, all hunting districts with an open elk season shall be open to archery hunting from September 8 through October 14, 1979, for either-sex elk.

Exception: Hunting District 316 not open to archery hunting until September 15.

Free permit required to hunt elk with bow and arrow in Hunting District 410, 621, 622 and 631.

Permits available from regional and Helena fish and game offices beginning July 1, 1979.

It shall be unlawful for archers to use any livestock to kill, take, attempt to take, or harass elk during the elk archery season. This shall not prohibit the use of livestock to get to the hunting area or to remove downed game animals.

During special archery seasons each hunter must possess a special archery stamp in addition to a game license for the species being hunted. An archery stamp is not required during regular hunting periods.

SPECIAL ELK PERMIT DRAWINGS

Applications for special elk permits must be made on forms provided by the Department of Fish and Game. The forms are available from license agents and department offices. Applications must be mailed to the Department of Fish and Game, Helena, Montana, and postmarked no later than June 15, 1979. Drawings will be conducted in Helena during August.

It is unlawful to submit more than one application for a special elk permit.

Applicants may apply in pairs for districts 310 and 313. Special elk permits issued for hunting districts 418, 420, 423, 448, and for the late hunting season in portions of 310, 312, and 313 will not be valid for the entire hunting season but only for specified time periods.

ALTERNATE PERMITS

Alternate permits are primarily for late winter hunts to alleviate game depredation. A roster of alternate permit holders will be compiled from applicants. In the event conditions require depredation seasons, names of hunters to receive permits will be drawn from the roster and those persons will be contacted. The fact that you have an alternate elk permit will not affect your preference in future elk drawings whether you hunt on the alternate permit or not.

REFUNDS FOR ELK LICENSES

Residents who apply for special elk permits in the following districts, but are unsuccessful in the drawings, may be refunded the cost of their elk licenses. If you wish a refund in the event you do not draw a permit, include your current elk tag with the application for a permit. Do not include your tag unless you want a refund.

PERSONS WHO RECEIVE REFUNDS IN THIS MANNER MAY NOT APPLY FOR ANOTHER ELK TAG OR ELK PERMIT DRAWING DURING THE CURRENT HUNTING SEASON.

Refunds may be received for the following districts only: 282, 401, 410, 411, 412, 421, 447, 510, 513, 550, 621, 622 & 631.
